

# FEVER 103°

In March of 1977 the band **Foreigner** released its debut album, self-titled: **Foreigner**. This multi-platinum album sold more than four million copies in the United States alone, staying in the Top 20 for an entire YEAR with such hits as "Feels Like the First Time", "Cold as Ice" and "Long, Long Way from Home". The mega-hit multi-platinum records kept on coming with the release of: **"Double Vision"**, **"Head Games"** and the 1981 (again) multi-platinum **"4"**.

**Fever 103** lives and breathes the incredible music of **Foreigner**. Their ability to re-create with foot-stompin' accuracy the catchy, highly recognizable and timeless music is an experience no true Classic Rock fan would ever want to miss. **Foreigner's** songs are known throughout the world. The challenge is to find a person that does not know "Hot Blooded", "Double Vision", "I Want to Know What Love Is" and countless other Grammy award winning songs from this legendary rock band that long ago should have been inducted into *The Rock & Roll Hall of Fame*.

Music and performance are the passions of **Fever 103**. From their inception they have made NO compromises in their approach and representation of each song. Their musicianship is precise instrumentally, in vocal harmonies, and in Steve Fournier's jaw-dropping representation of Lou Gramm's award-winning vocals. Every show is exciting to fans of every age, other musicians and talent buyers of every stripe! Their #1 goal is for every single member of the audience to leave their shows with a life time experience of the timeless Heydays of the original *Lou Gramm* era **Foreigner**, rocking out, singing along with the band, and dancing their @#!ess off!
